INVESTMENT HIGHLIGHTS

- **Excellent Visibility & Access** – Prominent location in town center next to Willy's Gym with convenient traffic flow from Eastham's main corridor, Route 6.
- **Undersupplied Market** – Only 1.7 SF of storage per capita within 3 miles, far below national averages, creating strong demand and limited competition.
- **Single Operator Market** – Stow Away benefits from being the only established competitor in a 5-mile radius.
- **Expansion Opportunity** – Possible $\pm 9,990$ SF self storage footprint through additional land parcels offered separately (contact brokers for Land OM). This presents a rare chance to scale in one of Cape Cod's most undersupplied markets. Location, feasibility, and approvals to be verified by Purchaser during due diligence.
