INVESTMENT HIGHLIGHTS

- **Recent Modern Design:** Purpose-built storage facility constructed in 2023, designed to serve strong demand for oversized vehicle, RV, boat, and equipment storage
- **Turn-Key, Low-Maintenance Operations:** Modern construction and an efficient footprint create a low-maintenance operation with minimal near-term maintenance costs and a clean transition for new ownership.
- **Premium Tenant Amenities:** 24-hour gated access with security monitoring, plus a water fill station and on-site RV sewer dump, along with LED time-sensor lighting in every unit and both 110v outlets in all units and 30-amp outlets in all 40' and 50' units.
- **Located in a High Growth Market:** A fast-growing metro with a diversified employment base and consistent demand drivers supporting long-term storage utilization.
